ABOUT DANANNA'S TRUCKING

Dananna's Trucking is a family business that was incorporated in 2007. We are a full-service logistics service provider headquartered in Durban. We work with clients in South Africa to support their domestic needs via road transport. The company started with an 8 ton truck & has now built a substantial fleet.

At Dananna's Trucking, we proudly stand head and shoulders above our competitors offering similar logistics services. Our unique combination of experience, service, & technology allows us to provide logistics services that offer a high degree of reliability while remaining cost-effective.

MISSION

Our mission, each & every day, is to provide top quality transport and logistics services at cost-effective prices, enabling us to deliver consistent value & dependability to all our customers, large & small

VISION

Our aim is to act as an indispensable partner to our clients by helping them build & maximize sustainable competitive advantages. We do this by helping them get their cargo delivered quickly, efficiently & safely.

VISION

PROFESSIONALISM:

In everything we do, we apply the highest possible standards of workmanship & ethics.

CUSTOMER CARE:

We are responsive to our clients' needs & expectations.

TEAMWORK:

We encourage team effort and akin to any living organism, every member of staff is equally important to the growth & sustenance of the company.

INTEGRITY:

We honestly & truly abide by all rules & regulations of authorities whom we deal with.

INDIVIDUAL RESPECT:

We cherish divergent views in individuals who form our team.

WHAT WE OFFER

Long & Short term haul

We provide long and short term haulage to locations within South Africa. All our vehicles are well maintained serviced regularly to ensure you cargo is delivered timeously.

Less Than Cargo Load (LCL)

We are affiliated with all major unpack depots, I.E: Zacpak, SACD, CHC, ICS, CMC Grindrod & will monitor cargo until it is unpacked & available to collect. We can also consolidate and deliver if need be.

Full Cargo Load (FCL)

We are well equipped to transport container & breakbulk loads to any destination within South Africa. All our vehicles are registered for collections at all Transnet Port Terminals & Container Depots.

Hazchem Transportation

We are fully compliant in the transportation of Hazardous chemicals.

Warehousing

We have a facility for storage of general cargo & FCL's. Unpack, handling & storage rates available on request.
